Contributions to One Mission Society are administered and disbursed under the supervision of the Board of Trustees. Surplus funds are occasionally transferred from one account to another based on need and the relationship between the missionaries and projects. Such transfers will be approved by the OMS administration and will be under the control of the Board of Trustees.

This agreement will remain in effect until 1.) I write a note to One Mission Society telling them to end this agreement, and they have a reasonable amount of time to act on it. Or, 2.) One Mission Society sends me a 10-day written notice that they will end this agreement. A record of my gifts(s) will be included in my bank statement. I will receive from One Mission Society, a year-end receipt listing my total giving. In the event of any error, including amount or double-posting error, I will handle this problem directly with One Mission Society.
